

## Submission Guidelines.

We would love to have your work on the TCW Platform. Just before you start typing away, we have attached a list of guidelines to help you with putting your submission together.

### **What** you are writing.

- Opinion pieces
- Reflections on current/special events
- Concept explanations
- Works of fiction

### **Who** you are writing for.

- Feminists
- People who are willing to **learn** and **unlearn**
- Individuals looking to have open conversations about related concepts
- Those who are determined to dismantle patriarchy and all its tools

### **How** you should write.

- Free of spelling errors
- In less than a 1000 words
- Attach at least one picture relevant to your work (include sources)
- Include relevant links to related posts
- Pick a topic and stick to it.
